DARIAH-EU Annual Event

Typ wydarzenia: Spotkanie

This year's DARIAH-EU Annual Event will take place 26-27 April, Berlin, Germany.

The DARIAH-EU Annual Event is open beyond the DARIAH community. It features a series of engaging keynote lectures and interactive sessions, which bring together researchers, technologists, data scientists and cultural heritage professionals. Additionally the DARIAH Annual Event enables colleagues to work together face-to-face on their DARIAH activities, e.g. in Working Group meetings.

This year: focus on sustainability
This year's event will focus on the subject of sustainability of Research Infrastructures, which will be emphasized by a series of workshops on the topic. A first confirmed keynote speaker is Roxane Wyns, she will be speaking on "From paper to digits. Challenges and opportunities of Digital research".
