The Institute for Advanced Study at Central European University

The Institute for Advanced Study at CEU (IAS CEU) is pleased to invite applications for its fellowships for the academic year 2018/19. As of this year, calls will be announced in early May and deadlines are set for late September. This will allow for a longer and thus more rigorous review process. In the coming months, we will reach out to faculty with the request to support our review process.
