

The 5th GESPIN Conference, Poznań 2017. Programme & schedule

Time	25.08.2017	26.08.2017	27.08.2017
	Friday	Saturday	Sunday
09:00	Registration	Sylvain Callinon: <i>Learning and synthesis of gestures in robotics from human demonstration</i> (Invited lecture)	Invited lecture (under negotiation)
09:15	Opening		
09:30	Hedda Lausberg: <i>On the neuropsychology of gesture (and speech) production and its implication for gesture research methodology</i> (Invited lecture)	Teresa Anguera, Gudberg Jonsson and Pedro Sanchez-Algarra: <i>Liquefying Text from Human Communication Processes: A Methodological Proposal Based on T-Pattern Detection</i>	Orit Sônia Waisman: <i>Mismatches between verbal and nonverbal signs, observing signs of change</i>
10:00		Anna Jelec, Małgorzata Fabiszak and Anna Weronika Brzezińska: <i>Shrugs, head tilts and palm up open hand gestures as epistemic markers of uncertainty.</i>	Jolanta Antas & Sonia Gembalczyk: <i>Bodily expression of negation in Polish</i>
10:30	Suwei Wu: <i>The interaction between syntactic encoding and gesture: The case of the double object construction and its prepositional paraphrase</i>		Ozge Alacam & Christopher Habel: <i>Negation in Gesture-accompanying speech</i>
11:00	Niklas Neumann, Katharina Reinecke, Hedda Lausberg and Irina Kreyenbrink: <i>Hand rest positions of patients with social phobia and therapists in psychodynamic psychotherapy sessions (SOPHONET project)</i>	coffee break	
11:30	coffee break	Kurt Feyaerts: <i>Body and speech in face-to-face interaction. A tour of some of the modalities involved in the process of interactive meaning making</i> (Invited lecture)	Hiroki Hanamoko: <i>Negotiation of meaning in ELF (English as a lingua franca) interaction: Multimodal approach focusing on body movements including gestures</i>
12:00	Sotaro Kita: <i>Gesture, language and cognition</i> (Invited lecture)		coffee break
12:30		Marzena Zygis, Susanne Fuchs & Katarzyna Stoltmann: <i>Orofacial expressions in German questions and statements in voiced and whispered speech</i>	Panel/Plenary Discussion
13:00	Katarzyna Stoltmann and Susanne Fuchs. <i>Syllable-pointing gesture coordination in Polish counting out rhymes: The effect of speech rate</i>	Petra Wagner and Nataliya Bryhadyr: <i>Mutual Visibility and Information Structure Enhance Synchrony between Speech and Co-Speech Movements</i>	
13:30	Duc-Canh Nguyen, Gérard Bailly and Frédéric Elisei. <i>An Evaluation Framework to Assess and Correct the Multimodal Behavior of a Humanoid Robot in Human-Robot Interaction</i>	Marieke Hoetjes and Ingrid Masson-Carro: <i>Under load: the effect of verbal and motoric cognitive load on gesture production</i>	
14:00	lunch break	lunch break	lunch break
14:30			
15:00			
15:30	Monica Gonzales-Marquez: Invited lecture	Jordan Zlatev: Invited lecture	Workshop: <i>The Neuropsychological Gesture (NEUROGES) Analysis System – Behavioral and Automated Analysis in Research of Gesture and Speech Interaction (KINEMO)</i> Hedda Lausberg & Konrad Juszczyk
16:30	Manon Lelandais and Gaëlle Ferré. <i>What do gestures in subordination tell us about clause (in) dependence?</i>	Social Programme A city tour and more :) (more details soon)	
17:00	Mili Mathew and Manjula R. <i>Co-occurrence of vocal behaviours and hand actions in typically developing infants: a preliminary investigation</i>		
17:30			
18:00	Workshop: <i>Teaching Tool Codified Gestures – Can More Pupils Learn More?</i> Natasha Janzen Ulbricht		Closing
19:00		Conference dinner
